*HEI shall mention the process followed to ensure that PPRs are prepared as per the guidelines mentioned in the Regulations. The explicit details of approval by its Statutory Authorities shall also be mentioned.*

All required Programme Project Reports were completed in compliance with the Regulations for the approval of the Commission. They have been used as a complete road map for each program, and all functions rely on them to deliver the programmes as per the original plan.

**5.2 Compliance status of ‘Quality Assurance Guidelines of Learning Material In Multiple Media And Curriculum And Pedagogy’ – As per Annexure -VI of UGC (ODL Programmes and Online Programmes) Regulations, 2020**

*HEI shall mention compliance details against the requirements in terms of learning material (Print Media), Audio-Video Material, Online Material, Computer-based material and Curriculum and Pedagogy, as mentioned in the Annexure-VI of the Regulations for ODL programmes.*

1. E-Learning Material has been developed as per the format specified in the UGC guidelines.
2. The Directorate is currently taking feedback from its Learners at the end of each semester.
3. The Directorate is also taking feedback from academic experts from time to time.
4. The Directorate also has the provision to revise the material and curriculum, as per suggestions/feedback received from its learners/academic experts/statutory bodies.

**5.3 Compliance status in respect of e-Learning Material– As per Annexure -VII of UGC (ODL Programmes and Online Programmes) Regulations, 2020**

*HEI shall mention the process followed to ensure that SLMs are prepared as per the guidelines mentioned in the Regulations. The explicit details of approval by its Statutory Authorities shall also be mentioned.*

The University has implemented the Guidelines as detailed in Annexure VII of the UGC (Online) Regulations 2020 in its preparation of the e-Learning Material. The E-learning material has the four quadrant approach as per UGC.

Each School’s/Departments Board of Studies recommends the Preparation of e-learning materials based on Curriculum as adopted from conventional programs of the University. The BOS hands the task of preparing the e-learning materials as per requirements of the faculty of the Department, who’re required to get an approval of the BOS at the major stages, i.e.

1. Definition of Learning Outcomes and Objectives.
2. Creation of a Structure of Content, suitably divided into units and subunits, mapped according to the weight ages in the credit pattern.
3. Populating the above structure with chunks of content, i.e. chunking, defining what topics would be covered within.

4. Creating a delivery pattern using modern instructional design such as blooms taxonomy
5. Deciding on pedagogical tools to be used, and at what stage.
6. Mapping sufficient self assessment at strategic points in the e-learning material.
7. Finally populating the above with the required material content.

The above process is discussed with the BOS at each step and proceeded upon only with a consensus on the same. Once completed , the e-learning materials are shared with others for a peer review and quality check, before making it available to the students.

The University has setup a very clear Grievance Redressal Mechanism and Policy, as per the regulations. The University provides an online facility for submitting grievances and tracking their status. Every learner can raise an issue via a ‘ticketing mechanism’ either over email or by calling the helpline. Once given a ticket, the issue is directed to the relevant department, who are required to action it within 48 hours. There is also specified Escalation Matrix, with specific timelines given at each stage, and should a Grievance not be responded to and closed within the given TAT (Turnaround time), the ticket is escalated automatically to the next authority by the system. The details of the support email helpdesk and helpline facility are shared with students upon joining, as is the committed timelines. We’ve been successful in keeping grievance redressal quite efficient and have had no cases where students / learners have not had their issues addressed within the specified timeline.

The Grievance Redressal Policy is published on the Higher Educational Institutions portal for the learners to read and refer to.  
The policy is made available to learners with disability in an appropriate format.
