Urgent Notice regarding Internal Assessment Test

Greetings from Directorate of Online studies, GNDU, Amritsar

Directorate is planning to commence the end term semester examinations tentatively from 18th December 2024 onwards. A detailed schedule will be shared shortly. As per university rules all the students are required to complete their internal assessment tests to become eligible for the end term examinations.

Please note that the external examination link will be enabled on the LMS portal only if students complete their internal assessment tests and score minimum 11 marks out of 30. All students are advised to download Safe Examination Browser (SEB) using the link available on the LMS portal and immediately complete both the assessment tests carrying 15 marks each. Detailed instructions along with the snapshots are attached in the notice **pages 2 to 14**.

Steps to download **Safe Examination Browser** from LMS Portal

1. Visit the Directorate of Online Studies website.
2. Log in to the LMS portal. Your dashboard will open
3. Click on Internal Assessment tab
4. Navigate to **SEB INSTRUCTIONS** tab. The link for downloading and using the Safe Examination Browser will be displayed
5. Click on link to download the Safe Examination Browser. After successfully downloading it, students can proceed to complete their internal assessment tests followed by internal/external examinations.

For any technical help please contact Ms. Shruti (7658875661) Arshdeep Singh (7347212479)

Step II : Login on LMS portal and dashboard will be open with your user name and password

Step III : Click on Internal assessment tab

The screenshot displays the home page of the Guru Nanak Dev University portal. The browser address bar shows the URL gnduu18evolute.com/app/home. The page features a navigation sidebar on the left with the following menu items: Dashboard, Syllabus, LEARN (Courses, Virtual Classroom), COLLABORATE & COMMUNICATION (Notification & Inbox, External Communities, Swayam), ASSIGNMENTS, QUIZZES AND EVALUATIONS (Internal Assessment, Exam Form, External Exam), REPORT CARD (Progress Report, Grades & Certificate), and FEE SCHEDULE & HISTORY (Online Payment). The 'Internal Assessment' option is highlighted in blue. The main content area, titled 'Home', contains ten colored tiles with icons and text: 'Learn' (blue), 'Collaborate & Communication' (white), 'Important Notification & Inbox' (pink), 'Report Card' (white), 'Your Achievements' (green), 'Your University Enrollment' (orange), 'Assignments, Quizzes and Evaluations' (white), 'Organize your schedule for upcoming assessments' (red), 'Fee Schedule & History' (white), and 'Payment Processing' (yellow). The 'Internal Assessment' link is visible within the 'Organize your schedule...' tile. At the bottom, a security notice states: 'Your (anjali2023) IP Address is being tracked due to security reasons, your current IP Address is 59.183.136.241'. The Windows taskbar at the bottom shows the search bar, task icons, and system tray with the date 09-12-2024 and time 23:02.

Step IV : For downloading the on safe examination browser click on SEB INSTRUCTIONS tab and followed by link for downloading and using the safe examination browser will be displayed

The screenshot shows a web browser window with the URL gnduu18evolute.com/app/internal-assessment. The page is titled "Internal Assessment / External Exam" and includes a navigation menu on the left with categories like "Dashboard", "Syllabus", "LEARN", "COLLABORATE & COMMUNICATION", "External Communities", "ASSIGNMENTS, QUIZZES AND EVALUATIONS", "REPORT CARD", and "FEE SCHEDULE & HISTORY".

The main content area features a section for "Examination Scheduling (As per Indian Timing)" with a note that all times and dates are in IST (GMT + 0530). It includes a "Time Zone" label and two orange buttons labeled "EXAM INSTRUCTIONS". Below this, a message states: "To take an assessment, click the following link to review the instructions for Safe Exam Browser on Windows or macOS: SEB INSTRUCTIONS".

The "Semester: 1" section displays three assessment cards, each with a "PENDING" status and instructions to log in through the Safe Exam Browser. The cards are:

- BUSINESS ORGANIZATION**: Internal Assessment - 1 and Internal Assessment - 2. External Examination | Score: (-)
- BUSINESS STATISTICS**: Internal Assessment - 1 and Internal Assessment - 2. External Examination | Score: (-)
- COMPUTER FUNDAMENTALS**: Internal Assessment - 1 and Internal Assessment - 2. External Examination | Score: (-)

At the bottom of the page, a security notice reads: "Your (anjali2023) IP Address is being tracked due to security reasons, your current IP Address is 59.183.136.241". The Windows taskbar at the bottom shows the search bar, system tray with weather (15°C Haze), and date/time (23:04, 09-12-2024).

Step V : after successful downloading the safe examination browser students can give the internal assessment test followed by internal/external examination

The screenshot shows a web browser window with the URL gnduu18evolute.com/app/instructions-how-to. The page is titled "Instructions & How To" and is part of the "Dashboard / Instructions & How To" section. The left sidebar contains navigation options: Dashboard, Syllabus, LEARN (Courses, Virtual Classroom), COLLABORATE & COMMUNICATION (Notification & Inbox, External Communities - Swayam), ASSIGNMENTS, QUIZZES AND EVALUATIONS (Internal Assessment, Exam Form, External Exam), REPORT CARD (Progress Report, Grades & Certificate), and FEE SCHEDULE & HISTORY (Online Payment).

The main content area is divided into two columns. The left column is titled "For Windows Steps to take the Internal Assessment with Safe Exam Browser" and the right column is titled "For MacOS Steps to take the Internal Assessment with Safe Exam Browser". Both columns follow a similar structure:

- Step 1 - Download and Install the safe exam browser using the link given below - [Download Safe Exam Browser](#)**
- Step 2 - Download the configuration file using the link given below - [Download Configuration File](#)**
- Step 3 - Now double click on the downloaded Configuration file and login into the student portal to take Internal Assessment and if it asks for a password, please use 123456.**
- Step 4 - After finishing the Internal Assessment, you may safely close the exam browser. To do so, click on the power icon located on the right side of the screen, and use the password "123456" (if asked).**

Below the steps, there are notes for both platforms:

Note:-

- 1) Kindly don't close the browser unless you are done with your Internal Assessment.
- 2) It is recommended to save downloaded files to your Desktop for easy access.
- 3) In case of any disconnection during the Internal assessment due to any technical issue (such as Internet disruption or power outage) at your end, click on the downloaded "Configuration file" to login back to your account. Note that during this process, the timer for the test in the backend will continue running.

A security notice at the bottom of the page states: "Your (anjali2023) IP Address is being tracked due to security reasons, your current IP Address is 59.183.136.241". The Windows taskbar at the bottom shows the system tray with the date 09-12-2024 and time 23:00, and the network status "Air: Very poor".
